

PATIENT FINANCIAL ASSISTANCE

Charlotte Radiology is committed to ensuring access to care and affordability for patients in need of breast services. Financial assistance is available to patients who may qualify under Charlotte Radiology's Financial Assistance Guidelines.

AM I ELIGIBLE FOR FINANCIAL ASSISTANCE?

All uninsured patients are eligible to apply for financial assistance. Established discount guidelines are used to determine what amount, if any, will qualify for financial assistance.

When a patient's circumstances do not satisfy the requirements under the discount guidelines, a patient may still be able to obtain assistance. In these situations, Charlotte Radiology representatives will review all available information to determine the patient's eligibility for financial assistance.
