#FightFromHome

Gather your family and friends (safely, of course) and host your own “watch party”! Pink Pint Night: Virtual Edition will be live broadcast on September 24th starting at 6pm and can be viewed via Charlotte Radiology’s You Tube page. The link will be posted to our Facebook and Instagram pages as well. The program will include entertainment, information on Project PINK community impact, and feature a NoDa “flight tasting”.

#FightWithAFlight

Participate in a virtual flight tasting of four NoDa craft beers, including our exclusive Pink Pint Night brew “Gose PINK or Go Home!”. NoDa Brewing Company’s Chief Brewer will take us through key features and food pairings for each sample.

***If you want to participate in the flight tasting portion of Pink Pint Night, you must pre-order and pick up the PPN Host kit in advance. Pre-orders can be placed online at www.qtego.net/qlink/pinkpintnight2020 before midnight Sunday, September 6th.** Be sure to note number of Host kits (one Host kit = flight tasting for two). Your pre-order will trigger an email confirmation with a request for preferred t-shirt sizes. If you do not pre-order, there will be a limited supply of PPN Host kits available at NoDa and we can’t guarantee t-shirt sizes. You will be able to purchase additional four pack NoDa samplers and other NoDa beers individually at NoDa’s “Brew-Thru”.

Pick up pre-ordered PPN Host kits and NoDa samplers at NoDa Brewing Company’s “Brew-Thru” the week prior to Pink Pint Night.

Pick up windows include:

September 19th and 20th between 3pm-5pm

September 21st thru September 23rd between 5pm-7pm

NoDa Brewing Company is located at 2921 N. Tryon Street, Charlotte NC 28206
