Additional Ways to Support Project Pink

SUPPORT

NoDa Brewing is continuing to support Project Pink through the end of the year with two new fundraising initiatives!

“Drink Pink” – Throughout October, NoDa Brewing will donate a portion of proceeds from sales of its Lil Slurp beer in the taproom to support Project Pink and Carolina Breast Friends. Community members can also support the campaign by purchasing Lil Slurp at participating bars, restaurants, and Harris Teeter locations throughout the area.

“Poured with a Purpose” – NoDa Brewing has also selected Project Pink as the Health category beneficiary for their *Poured with a Purpose* program. Enjoy a pint every Tuesday through the end of the year and help make a difference. With each pint purchased in the taproom, you’ll receive a \$1 token to donate to a featured charity on the Impact Wall, including Project Pink. Plus, throughout Q4 (October–December), all round-up donations collected in the taproom will benefit Project Pink.

Whether it’s October’s *Drink Pink* or the ongoing *Poured with a Purpose* program, you can continue supporting Project Pink at NoDa Brewing through the end of the year!
